Menus

For all weddings at the Beaches Hotel our policy is to serve a pre-set menu; for avoidance of doubt this means that there is not a multi choice option. This is based on experience catering for many very special gatherings, coupled with our assurance of the highest quality of service.

Should, on the day, anyone express a wish to have something else, we will readily assist. We will of course offer vegetarian and other specialist options if required.

Free Cake Stand and Knife

We are happy to make available an 18" square or round cake stand and knife. If you need advice of cake suppliers, please ask.

Table Decor

We will supply white table linen and napkins. Alternate coloured linen is available at a sur-charge.

Master of Ceremonies

A member of our Management Team would be delighted to guide you through the formalities on the day.

Accommodation

For weddings of 40 or more, the Bride and Groom are invited to be our guests at the hotel for accommodation and breakfast on their wedding night.

Wedding Ceremony

We are able to cater for couples who wish to hold their wedding ceremony in the hotel, however a room hire charge of £225.00 will apply.

Wedding Etiquette

To help you prepare for your special day we have prepared a suggested Wedding Etiquette.

The Receiving Line

This is a formal greeting of your guests after you conclude the drinks reception. It is not essential, but does ensure that you meet all your guests:

Bride's Mother
Bride's Father
Bride and Groom
Groom's Mother
Groom's Father
Bridesmaids - Optional
Best Man - Optional

Cutting the Cake

This is announced by the toastmaster or Best Man, the first slice is then cut by the Bride and Groom. During speeches the cake is sliced for your guests. The cake will be displayed and then either cut during the drinks reception or after the meal, or alternatively you can leave the cutting of the cake until the start of your evening reception. The cake can either be served with coffee after the meal or with the evening buffet.

Top Table Seating Plan

When preparing your seating plan the traditional layout is usually as follows:

Bridesmaid - Chief Bridesmaid - Groom's Father - Bride's Mother - Groom - Bride - Bride's Father - *Groom's Mother* - Best Man - Bridesmaid.

You can, of course, change the layout to your preferred requirements

Toasts and Speeches

These follow the meal and are usually made in the following order:-

The Bride and Groom

This is normally by the **Father of the Bride** or a close friend the reply is made by the **Bridegroom**.

The Bridesmaids

Proposed by the Bridegroom after his reply to the first toast.

The response to this is made by the **Best Man**.

Nowadays, although it is rare, the bride may also wish to say a few words!
